Sub: Well Point Dewatering Work for Lakes At Golf Resort Greater Noida, Gautam Budh Nagar U.P.

Reference your quotation No. SD/ KS/ HO/2004-05/9 dtd 9.09.04 and discussion on 31.12.04

Dear Sir,

Reference to your above referred quotation and discussion held with you, we are please to place this order on you for carrying out Subject works, as per rental rates mentioned in Clause 7 and as below:

1.0 Engineer-in-Charge

Projects Manager (Civil) shall be Engineer-in-Charge. The work shall be executed all as directed by him.

2.0 Scope of Work

Scope of the work includes Supply of Manpower, material Equipments machinery, Tools and Tackles necessary for successful design, establishment, operation and maintenance of the Well Point Dewatering system with a view to dry up the Lake bed to facilitate excavation / filling as per drawings / requirement and as directed by Engineer in Charge. The Minimum machines and accessories to positioned at site shall be as mentioned below and required for complete package

3.0 Terms & Conditions :

The site has been visited by you and the conditions obtaining at the site, as much as these affect your scope of work, are fully known and understood by you. Ignorance of any local information shall not absolve you in performance of the Contract.

The lake bed is to be excavated up to 3 mtr below the existing Ground water table level, thus the water table is to be lowered to minus 4 mtr below the existing Ground Water level to achieve dry bed conditions suitable for excavation / filling the area as required by Machines and other civil works to be executed by other agencies

The peripheral length, along which the Well Point are to be installed is approximately 300 metres / as per design. The Well Point System shall be designed by you to achieve the conditions at site. The necessary equipment, pumps, ancillaries and accessories shall be provided and installed by you.

The requirement of minimum number of operating dewatering pumps / motor indicated by you, during is 16 Nos and other necessary connected items .Discharge pipes with standby motors etc.. However, your obligation is to ensure dry Tower bed conditions at all times irrespective of the number of pumps required so that Excavation and other works can be carried out in dry conditions.

The sub-soil water extracted by you shall be discharged in drains/ lakes as directed by Engineer in Charge so that it flows away from the site.

A-106, Majlis Park,

(Adarsh Nagar)

Delhi - 110033**Subject :- Excavation of UGR/BPS at Sonia Vihar.**

Dear Sir,

This refers to your quotation dated 16.11.2003 and the subsequent discussion you had with us on the subject matter.

As agreed, we are pleased to place this work order on you for the excavation work at our Sonia Vihar UGR and BPS site. The rates for carrying out the excavation shall be as follows.

1. Excavation using tractors including all lead and lift upto subsoil water level @ Rs. 23.00 (Twenty three only) per Cum.
2. Excavation using tractors including all lead and lift below subsoil water level @ Rs. 28.00 (Twenty eight only) per Cum.

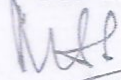

The approximate quantity of excavation shall be 17000 cum. However, the quantity may vary based on the site conditions and payment shall be made on actual work executed and verified by our site-incharge. Payment shall be released in 2 installments one RA bill after 2 weeks of start of work and one final bill after completion of work.

The DG sets (including diesel) for operating the dewatering pumps shall be provided by GSJ ENVO LTD. However pumps and other accessories for complete dewatering shall be provided by you.

You are requested to immediately mobilize the manpower & machinery and report at the site to start the work. The completion schedule shall be 1 (one) month from the date of this work order.

Thanking you,

Yours faithfully

Subject: Applicability of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 and the Schemes framed thereunder to M/s. Vaini Deswal Singh

Dear Sir,

On the basis of particulars furnished by you on 23/8/55 and on the basis of the inspection of the records of your establishment conducted by the Enforcement Officer on 11/8/55, it is evident that:

(a) Your establishment/factory viz M/s. Vaini Deswal Singh is engaged in Export Business which is included in schedule I/classes of establishment in Employees' Provident Funds and Miscellaneous Provisions Act, 1952.

(b) The said establishment/factory has employed 50 persons on 19/8/55.

(c) That it has completed the infancy period in terms of provisions of Sec. 14(1) (b) of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 and the Schemes framed thereunder are applicable to your above named establishment together with head office and its branches/departments whether situated at the same place or at different places with effect from 19/8/55. Monthly/provisionally, subject to further verification of your records for the earlier period.

With reference to your application No. 22745 dated 19/8/55 you are hereby allotted code No. DU 22745 on Administrative ground w.e.f. 19/8/55. please note that this will not affect the original applicability of the establishment and it will be treated as part and parcel of the parent unit for all purposes (damages etc.) Employee's share for the period to will not be waived off.)

With reference to your application No. 22745 dated 19/8/55 received for extension of E.P.F. & Misc. Provisions Act, 1952 under section 1(4) of the said Act, on voluntary basis a code No. is hereby allotted to your establishment namely DU 22745 provisionally covering your establishment with effect from 19/8/55 pending issue of a notification by the Government of India in exercise of the powers conferred on them by sub-section (4) of Section 1 of the E.P.F. & Misc. Provisions Act 1952.

The Code No. DU 22745 is allotted to your estt. for the purpose of making compliance with the various provisions of the E.P.F. & Misc. provisions Act, 1952 and the Schemes framed thereunder namely, E.P.F. Scheme, 1952 Employees Pension Scheme, 1955 and Deposit Linked Insurance Scheme, 1976. This Code should invariably be quoted in all the correspondences with this office.

The contribution payable by the employer shall be @ 12 % of basic wages, dearness allowance (including cash value of food concession) and retaining allowance, of any payable to each employee every month. The contribution payable by the employee shall be equal to the contribution payable by the employer.

I. The contribution shall be calculated on the basic wages dearness allowance etc. payable during the whole month whether paid on daily, weekly, fortnightly or monthly basis.

II. Each contribution shall be calculated to the nearest rupee i.e. 50 paise or more to be counted as the next higher rupee, and fraction of a rupee less than 50 paise to be ignored.

III. For the purpose of calculation of contribution the wages may be rounded off to the nearest rupee or more being taken as one rupee and less than 50 paise ignored.
